**WOMEN EMPOWERMENT AND LEADERSHIP:
TOWARDS A BETTER WORLD**

INTRODUCTION

In conjunction with the 12th INWES Asia Pacific Network Nation (APNN), IEM WE is organising the 3rd International Conference of Women in Science, Engineering and Technology (WiSET) 2022. This conference aims to identify the challenges faced by women in science, engineering and technology (SET); address the issues relating to Women in SET and share perspectives in devising strategies to address the imbalance of women participation in SET so as to create opportunities upon which to build the future.

The anticipated participants of this conference would be Professionals in the field of STEM such as Scientists, Engineers and Technologists. At this conference, inspiring experiences and the secret to success among Scientists, Engineers and Technologists will be shared. It would indeed be a platform where all Professionals would look forward to.

HOST CITY – PENANG

Georgetown, Penang – the capital city of the State of Penang. It is located in the north of Malaysia. Name after Britain's King George III, Georgetown was the first British Settlement in Southeast Asia and is a UNESCO World Heritage Site. The metropolitan area, known as the Greater Penang Conurbation, has a combined population of 2.50 million, making it the second largest metropolitan area in Malaysia after Greater Kuala Lumpur.

Likewise, Georgetown is one of the most popular tourist destinations in Malaysia. It has been listed as one of the top global travel destinations by the likes of The Guardian, CNN, Los Angeles Times and Forbes. Furthermore, both Forbes and CNN has listed Georgetown as one of the best budget cities to retire in the world. Georgetown was also ranked 8th in the ECA International's list of most livable cities in Asia. Additionally, Georgetown is Malaysia's most important engineering tourism hub and northern financial center.
